Group promotes Hwy. 35 corridor

Business people along the Highway 35 corridor from Minden to Dorset are organizing to promote attractions of the area.

The group, known as 'The Scenic Highway 35 Association', held their first meeting in late January and membership now stands at more

maintained a strong presence despite the growth of the Chamber of Commerce as a tourism marketing agency.

"We don't want to compete with the Chamber," Grosschadl says, noting that the new organization expects to work closely with Cham-

The right direction? See page 4

than 20 businesses and resorts.

Gary Grosschadl of the Clansman Motel and Cottages, a member of the organization's public relations committee, says the idea of businesses in a specific area working together for their mutual benefit is nothing new. As an example, he cites the Lake Kashagawigamog Tourist Association, which for years

ber manager Emily Skinner, who attended one of its recent meetings.

"There are a lot of tourist establishments north of Minden, and we feel we can draw some attention up our way," he said.

A focal point for the new group's promotional material is expected to be a tourism information booth that Stanhope Township intends to open at the intersection of Highway 35 and Highway 118.

"We've got the concept out. We've got the membership growing," Grosschadl says. "Now we're in the planning stage."

A special events committee has been formed to look into ways of giving the area a specific identity, particularly in the shoulder seasons of spring and fall, when bookings at area resorts fall off markedly.

Our aim would be toward getting people up here when it's slower," Grosschadl said. "Once you get them into the county, everybody benefits."

Membership in the new organization is available to any business. Promotional activity will be geared toward businesses that have access to Highway 35 from Highway 121 to Dorset. Businesses outside that specific area can join as non voting members.

Executive of the group consists of president Fred Chapple of Four Seasons Country Store, vice president Kel Stone of Hollow Valley Restaurant, treasurer Bob White of Hart Lodge, and secretary Barbara Trocewicz of the Old Mill Cottage Resort.

The next meeting of 'The Scenic Highway 35 Association' is scheduled for 8 p.m. April 10 at the Stanhope Firefighters Hall on North Shore Road.

Spectacular scenery like this, looking south from the north end of Boshkung Lake, will be promoted by a new tourist group known as 'The Scenic Highway 35

Association'. They will work in conjunction with the Chamber of Commerce to attract more tourists to the area.

Lakes stocked with splake

The Ministry of Natural Resources has announced plans to stock 25 lakes in the Minden District with splake over the next three years.

Ministry spokesman Wayne Wilson said information on the proposed stocking has been circulated to land owners on the various lakes, cottage associations, local municipalities and the Chamber of Commerce. The public has been invited to comment as part of an environmental assessment process since splake, a cross between lake trout and brook or speckled varieties, are not native to local lakes and have not been used in previous stocking programs in the district.

Some 18,000 of the fish are expected to be available to Minden District fisheries managers this year, with similar numbers anticipated in subsequent years of the

Previous stocking programs using brook and rainbow trout have been disappointing, the MNR says. The fish seldom survive longer than three years, and their growth rate is slow. Splake, on the other hand,

Better fishing to result

grow quickly, and can survive up to 16 years. The fish are between three and five inches long when they leave the hatchery, and within a year of being introduced into a lake they average 12 to 15 inches in length. A mature fish can reach weights of 10 or 11 pounds.

Splake are a "put and take" fish,

according to fish and wildlife supervisor Dave Atkinson. While some splake are capable of reproduction, the majority of them are not, and the resulting fish is not a splake but a reversion to the lake or brook variety.

Flavour of the splake is said to be similar to other varieties of trout, depending on the quality of the water from which they are taken.

Splake have been used extensively to stock Algonquin Park lakes "with excellent success" according to Wilson.

By using splake, the ministry hopes "to get better fishing for the amount of money we have to spend," Wilson said.

Another advantage of splake over other varieties of trout that have been used in stocking programs is

Minden reeve on the mend after stroke

While Anson, Hindon and Minden reeve Lyle McKnight recovers from a serious stroke, council has officially appointed deputy reeve Ed Pergolas as 'acting reeve' of the municipality.

The appointment was made last Thursday by resolution. Councillor Gary Kenney has been named 'acting deputy reeve' for the duration of McKnight's convalescence or until council's term expires in November.

It was unclear last Thursday whether the appointment of Kenney as acting deputy reeve would entitle him to voting status at county council, which meets this Wednesday to consider its 1985 budget and other matters.

Reeve Lyle McKnight suffered a stroke on February 3 and was rushed to hospital in Peterborough, where he remains and is undergoing daily physiotherapy. The stroke paralyzed his left side and caused temporary blindness in his left eye. While his sight returned quickly, his leg has been slower to recover, and his arm so far has not responded to treatment.

Despite the setback, the Minden reeve remains in good spirits, according to his wife Linda, who says "he's never been down one minute."

"He really, truly is doing quite well," she said in an interview late last week. "He's really regaining his strength."

"We're very confident that he's going to walk again," Mrs. McKnight said. "He certainly has improved an awful lot in these first few weeks."

Cards, letters and telephone calls have been pouring in from well wishers across the county, Mrs. McKnight said, adding that people's concern "has been wonderful."

The reeve may be able to spend weekends at home by the end of the month, returning to Peterborough for physiotherapy on weekdays.

As for his involvement in municipal politics, Linda McKnight says it's too early to say whether her husband will want to return to his civic duties as his recovery progresses. "We haven't really discussed it yet," she said.

Weapons siezed, man charged

A 25 year old man was charged with possession of a weapon dangerous to the public peace following a shooting incident last Tuesday night in Stanhop township.

Police say the incident began at about 10 p.m. when the detachment received a telephone call from a 26 year old woman who reported that she had been chased from her home on the Norley Road by her common-law husband. Shots had been fired. Three children remains inside the home.

Officers from Minden detachment responded to the call and were joined later in the night by staff from District headquarters in Peterborough.

Police used a loud hailer to talk to the man, and shortly before five a.m. Wednesday he came out of the house unarmed.

No one was injured in the incident.

Charged is Larry David Porter. Four firearms and numerous rounds of ammunition were siezed.

Porter remains in custody and will appear in Provincial Court in Lindsay this Thursday.

A preliminary hearing will begin Wednesday in Lindsay for Paul Crofts who was charged with several offenses after a similar incident in Haliburton last summer in which two OPP Swat team members were wounded by gunfire.

Ratepayers fight for road allowance

Property owners in the area of a controversial lot on Soyers Lake have put council on notice that they will fight any attempt to close an open concession beside the lot. Alex Little told Anson, Hindon and Minden councillors last Thursday that a previous council has said it would not close the concession "and that's what we're after."

Council "is not taking one foot" of the concession, Little said. "We're keeping the whole thing."

He said he and a number of other property owners in the area of the concession "would not stand" for any attempt by council to close the

Dysart reeve throws his hat in the ring

Murray Fearrey seeks PC nod

Dysart et al reeve Murray Fearrey has thrown his hat in the ring for the upcoming Victoria/Haliburton Progressive Conservative nomination meeting.

Fearrey announced this week that he will try to become a PC candidate for the provincial election expected later this year.

Others seeking the nod at the convention, to be held Saturday, March 30 at I.E. Weldon secondary school in Lindsay, are Larry McKnight of Minden, Dave Murray of Fenelon Falls, a previous PC candidate, and Don McCumber of Emily Township.

Fearrey, who has been reeve of Dysart et al for the past 10 years and a member of council for 14 years, is also a joint owner of

Haliburton Lumber and Enterprises Ltd.

"I believe my business experience couple with my knowledge of municipal government and its direct people concerns, allows me a specific insight into the requirements of the riding and the manner in which they can be dealt with," he said in a release announcing his candidacy.

Fearrey said the recent choice of Frank Miller as provincial PC leader has been a factor in his decision to seek the Victoria/Haliburton nomination.

"As municipal reeve and county warden I have enjoyed a long and active relationship with the Honorable Frank Miller and I think it's of value that he represents our neighbouring riding (Muskoka) as well as

the province," the Dysart reeve said in his release.

Fearrey noted that his "extensive municipal experience" has brought him into contact with many Ministries at Queen's Park "with successful results" for Dysart et al and the county as a whole.

"The multiple interests within this riding requires a special recognition and effort," Fearrey said. "With my ability and the assistance of the people, a Progressive Conservative candidate can be returned in the next Provincial election."

The nomination meeting gets underway at 1 p.m. on March 30. Liberal incumbent John Eakins is expected to contest the seat when an election is called.

Police News

General Occurrences

During the period of March 11 to 17, personnel at Minden Detachment investigated the following occurrences: one motor vehicle accident and 29 general occurrences, including four thefts.

Men sentenced

Two Haliburton men were sentenced to jail after being found guilty of breaking into the Rails' End Gallery and stealing a quantity of silver jewellery. Harold Rowbotham, age 18, received a sentence of three months plus two years probation. Jack McPhail, age 20, received the same sentence. The break-in occurred last July 18.

Hydro holds rates

Ontario Hydro will ask for an average 3.6 per cent increase in 1986 rates, chairman Tom Campbell said last week.

The 3.6 per cent increase would be the lowest in 20 years for municipal utilities and the lowest since 1972 for direct industrial customers.

Campbell said the proposal will help Hydro hold rate increases at or below the inflation level over the decade of the 1980s.

Campbell said several factors have enabled Hydro to keep its rate increase proposal to 3.6 percent. Improved nuclear efficiency, increased demand for electricity, and tight financial controls on operating and administrative costs have improved the utility's financial picture, he said. As well, Hydro's debt in real terms (taking inflation into account) has peaked and is forecast to decline during the rest of the 1980s.

Over the next few weeks, Hydro staff will develop detailed rate proposals for direct industrial customers and municipal utilities.

Hydro also will defer any proposed changes in the rate structure for the next few years. This decision follows requests from the Ontario Municipal Electric Association and the Association of Major Power Consumers of Ontario.

Hydro's rate proposals are being prepared earlier this year than in the past.

The complete rate proposal will be referred to the Ontario Energy Board, which will conduct a public hearing, expected to begin in June. The OEB will report its findings by August 31. Hydro's Board of Directors will then review the OEB's recommendation and announce the new rates to take effect January 1, 1986.

Stanhope orders signs

Stanhope council met March 6 and considered the following matters:

The Fire Chief's report dated February 28, 1985 was accepted.

Council acknowledged receipt of Airport Committee Minutes dated January, 1985.

Council acknowledged receipt of the Recreation Committee meeting minutes dated February 19, 1985.

Council authorized the reeve to order appropriate signs for the Tourist Information Booth at Carnarvon. The signs are to be two feet wide and 12 feet long.

Council appointed Dorothy Finch, Marlene Deller and Darlene Johnson to the 1985 Fun Day Committee.

Council requested a 1985 supplementary allocation of subsidy monies on a \$83,000 expenditure for 1985 from the Ministry of Transportation and Communications. These monies are to be expended for work on Township roads and bridges in accordance with the Highway

Improvement Act.

Council approved general accounts totalling \$12,422.51; Road Voucher #2 totalling \$14,694.15 and February Welfare Voucher totalling \$6,769.73.

By-law 85-8 to amend By-law 77-15, a Restricted Area By-law; By-law 85-9 to authorize the reeve and clerk to execute documents; By-law 85-10 to stop up, close and convey a portion of original allowance for road; and By-law 85-11 to prescribe a tariff of fees for the processing of applications in respect of planning matter, were passed.

The next regular meeting of council will be held Wednesday, April 10, at 8:30 a.m.

Snow clearing to be studied

Minden council has authorized community services co-ordinator Brian Sisson to investigate the benefits and costs of an equipment attachment designed to clear snow 'combs' left in driveways by municipal plowing operations.

Information on the attachment, called a 'Snow Rid', was provided by councillor Gary Kenney, who asked that Sisson be allowed to study it.

The City of North York has used six of the devices since 1982, and will demonstrate it for Sisson before the end of March, Kennedy said.

'Snow Rid' is an extension to the moldboard of a grader, bucket of a front end loader or truck plow that

reaches about three feet into a driveway entrance and scoops up snow that has been deposited into the driveway by previous plowing operations. It costs about \$4000, not including installation, Kenney said.

Because the device can only be used after a plow has passed, there is a doubling of plow operating time, or a doubling of equipment, Kenney said.

"There is definitely a loss in efficiency." But he felt that "it's enough of a service that we should at least consider it."

"It may be a service that we wish to add if we can rationalize the short term expense," Kenney said.

He stressed that it is not "a driveway cleaning service" but a means of pushing away the snow that municipal plows deposit in private driveways.

Following Kenney's presentation council agreed that Sisson should look into the matter further. He will determine if the MTC would subsidize the use of 'Snow Rid', what it would cost to purchase and install it, how much extra time would be required to use it in the village of Minden, hamlets and in rural areas, if municipal equipment should be used, and what the costs and benefits would be if the device was attached to private contractors' machinery.

Banner to welcome cyclists to Minden

Minden council has approved a proposal of its promotions and publicity committee to spend \$160 for a banner to welcome motorcyclists taking part in a 'Ride for Sight' to the community in June.

Councillor Gary Kenney said Minden has been chosen as the destination for the ride, which will

involve between 1200 and 1500 motorcycle touring enthusiasts from all over Ontario.

Most of the participants will arrive in the community on the Saturday of the event and camp overnight at the Minden fair grounds. Others will take lodging in local resorts, while a smaller number will return to their own com-

munities on the day of the ride.

Kenney said the event is an experiment in how the fair grounds and community centre buildings can be used for major events. If it is a success, it could pave the way for such things as recreational vehicle rallies and Highland Games in future years.

Province announces 4 percent increase

Provincial grants to Ontario's school boards will increase by four per cent, Education Minister Keith Norton announced last week.

Grants to the school boards will total \$3 billion 151.8 million, an increase of \$121.5 million over the 1984/85 printed estimates. The

amount includes \$8 million for the purchase of Ontario Approved Educational Microcomputers for use in the schools and \$16 million for special education.

Norton said the grants for 1985 are based on the Government's recently announced three per cent

guideline for public sector wages.

Norton said an announcement of additional funds to implement the expansion of the separate school system will be made later. School boards will receive detailed information on the 1985 grant regulations by the end of March.

Cardiff councillors split on several issues

Municipal Report

A regular meeting of Cardiff Township council was held in the council chambers on March 1. All members of council were present and the following matters were considered:

Council authorized the building inspector to lift stop work order and re-issue a building permit to James McKay, Lot 7, Plan 468. Recorder vote: Yeas: Mack Peters, Ross Duncan, Debbie Donaldson, John Irwin. Nays: Paul Slighte. The resolution was carried by three votes.

Council voted on accepting a proposal from Michael Michalski Associates to prepare water quality documentation. Recorded Vote: Yeas: Ross Duncan, Debbie Donaldson, Nays: Mack Peters, John Irwin, Paul Slighte. The

resolution was lost by one vote.

Council accepted a proposal from Proctor and Redfern and Associates to prepare water quality documentation. Recorded Vote: Yeas: Mack Peters, Paul Slighte, John Irwin. Nays: Ross Duncan, Debbie Donaldson. The resolution was carried by one vote.

Council then adjourned to committee of the whole. Council later adjourned from committee of the whole and resumed regular session.

All permanent, full and part-time employees will receive a 3% increase retroactive January 1, 1985. Council members are to receive no increases. Recorded vote: Yeas: Ross Duncan, Paul Slighte, John Irwin.

Nays: Mack Peters, Debbie Donaldson. The resolution was carried by one vote.

A by-law to authorize temporary borrowing for the purchase of road machinery was passed in a recorded vote. Yeas: Mack Peters, Paul Slighte, John Irwin. Nays: Ross Duncan, Debbie Donaldson. The resolution was carried by one vote.

Municipal Report

Sherborne council

At a meeting January 28, the council of Sherborne, McClintock, Livingstone, Lawrence and Nightingale considered the following matters:

Accounts payable for the year 1984 were approved for payment in the amount of \$2,332.79.

General Accounts were approved in the amount of \$2,984.43.

Invoices were presented resulting from the implementation of McBee One Write System within the Municipal Administrative Office. Invoices were approved for payment in the amount of \$1,698.65.

Insurance premiums for the year 1985 were approved for payment in the amount of \$5,925.00.

A mileage adjustment as presented by Councillor Marilyn Jarvis was approved and payment was made in the amount of \$62.19.

Council rescinded resolu-

tion #005/85 passed on the 7th day of January, 1985.

The following correspondence was discussed and noted: From the Corporation of the Town of Bradford a resolution dealing with the subject of calculation and imposition of a uniform lot levy. A copy of a letter from Public Health Inspector, Dale McCrae was considered. It outlined that four sites in the Township of McClintock will be inspected in the spring of 1985 as to sewage disposal. This inspection is on behalf of private individuals research on behalf of the Duck Bay ratepayers concerned as to the present location of the municipal sludge disposal site. Road Superintendent, Dell Page reported to council for the month. Road voucher for the month of December 1984 was reviewed and approved for payment in the amount of \$50,075.03.

HELP A STUDENT STEP INTO THE WORKING WORLD

AND WE'LL HELP FOOT THE BILL.

Announcing Challenge '85, the Ontario/Canada employment program that will help students put their best foot forward this summer, with valuable experience in the working world.

The Ontario/Canada Summer Employment element of Challenge '85 will help private business, municipalities, and non-profit organizations by paying wage subsidies to offset a substantial portion of the costs of hiring young people.

If you can provide a stepping stone, by offering productive work experience or on-the-job training related to career goals, take the first decisive step today.

As funds for this program are limited, we encourage you to apply early.

If you are a young person looking for work or assistance in starting your own summer business, we have programs for you. Should you have any questions or need more information, our program officers will be pleased to assist. For complete details of how you can benefit from the Challenge '85 program, call your local Employment Development Branch Office, Canada Employment Centre or the Ontario Youth Hotline at 1-800-263-7777.

concession, or any portion of it.

Little said concessions leading to water were surveyed to give people without lakefront property access to the lake, and should not be closed.

The concession in question abuts a controversial lot that was traded by the municipality to real estate developer Gary Vasey in a deal that included the Welch property on Minden's main street. The lot has inadequate frontage on Soyers Lake for seasonal residential use, but it had sufficient frontage on the township road to meet criteria for a residential lot not touching water. It was sold last year to a person who has since erected a cottage on it, despite a municipal stop work order and continuing protests from an abutting property owner.

In an attempt to resolve the dispute the Soyers Lake Cottagers Association proposed last fall that

half the concession be closed and deeded to the owner of the undersized lot if he would agree to move his cottage farther away from the lot line of the abutting property owner. So far no action has been taken on the proposal, and council continues to receive advice from its solicitor, Fraser Rogers.

While council was cautious not to show its hand on the matter pending further advice, councillor Gary Kenney suggested a hypothetical compromise in which a portion of the allowance would be registered as open for the use of land locked property owners nearby.

But Little remained adamant that the whole 66 feet width of the concession must remain open.

He said he had discussed the matter with his solicitor and would take the municipality to court if necessary.

This Week

Provincial titles a possibility

Teams in playoffs

Spring may be in the air, but the winter season isn't over yet for a number of local hockey teams. In Haliburton, the OMHA Bantams and Atoms continue to battle toward a provincial championship, while the house league Bantam Bears will begin their final series this week. In Minden, a strong juvenile team defeated Erin in a best of five series and are now in the Ontario semi final. Team supporters say the club is strong enough to win the overall title if it continues its aggressive play in the next two rounds.

The Atoms are playing Newcastle, and it is proving to be a close series. Newcastle took the best of five series opener 4-1, but last Friday at the Dysart arena the local boys bounced back to defeat Newcastle 5-2. The team's next home game is scheduled for this Friday night at 7 p.m.

The Bantam Huskies go the all Ontario semi final round off to a good start in Haliburton on Saturday night, defeating Ennismore 7-5. It was a costly win, however, as star right winger Jaro Cooper suffered a broken

leg when he was checked in front of the Ennismore net.

Game two was played in Ennismore on Sunday, and the Huskies had no trouble skating to a win. Final score was 11-3 in favour of the local boys.

Game three of the series was scheduled for Tuesday night too late to make this week's issue.

In Minden, the Monarchs dug in to win the quarter final round, and began the semi final series against Godfrey.

On the house league front, a number of area teams will see action this weekend in the Monmouth Cup tournament, and next Saturday the venue will switch to Haliburton for the annual Glen Dart tournament.

Finals also are underway in the Haliburton men's league. The best of three series began Monday night with Bishop and Wilson defeating Emerson Lumber 6-3. The series could end next Monday if the surveyors get another win.

Bishop and Wilson took the championship last year, but finished the regular season in second place this year.

The ice fishing season is nearly at an end, and many anglers already have begun to remove their huts from area lakes. Last day for taking huts off the ice is

March 31, but with plenty of warm sun these days, slush could be a problem for those who wait until the final weekend.

Splake new to area lakes

from page 1

that splake are a competitive fish that can thrive in the presence of perch and other less edible species.

Lakes expected to receive splake over the next three years include: Anson and Big East in Hindon Township, Bivouac in Eyre, Black in Lutterworth, Burdock in Guilford, Coburn, Depot and Dutton in Eyre, East in Harburn, Pine in Glamorgan, Gregory's Pond in Harburn, Guilford in Guilford, Horseshoe in Minden, Lost (or Teacup) in Eyre, Minden (above the power dam) in Minden, Nuggett in Eyre, Picard in Cavendish, Ross in Harburn, Round in Cavendish, Rusty Shoe in Glamorgan, South Jean in Hindon, Tory (or Lorraine) in Monmouth, Wildcat in Eyre, and Wolf in Havelock.

The ministry hopes that if the splake program is successful, individual lakes may only have to be stocked every four or five years to maintain a viable sport fishery.

Anyone who wants more information on the program, or who wishes to comment on it, can contact the Minden MNR office.

CAT scan contributions still growing

Haliburton County residents continue to dig deep in their pockets to support fund raising efforts for a Computer Assisted Tomography (CAT) scanner.

Jack MacDonald, co chairman of the Haliburton County campaign (along with Mabel Brannigan), said he is pleased with the level of local support for the CAT scan fund. Donations from individuals and groups in Haliburton County now total about \$24,000.

The local campaign was given a successful kick-off at the Haliburton Legion early in December when members of the Peterborough central committee provided an audio visual presentation on the benefits of the CAT scan device. Private and service club donations totalling over \$14,700 were received that night.

On December 15 the Kinsmen Kinettes and K-40 in the Minden area donated a further \$3000 to the campaign.

Area residents can still make donations to the CAT scan fund through banks in Haliburton and Minden. The Bank of Montreal and the Canadian Imperial Bank of Commerce in Haliburton, as well as the Toronto Dominion Bank and the C.I.B.C. in Minden will accept CAT scan funds.

Cannisters bearing the CAT scan logo have also been placed in a number of local stores, and CAT

scan tee shirts were on sale at the March Flea Market at the Legion Hall in Haliburton.

The next major fund raising event is a dance scheduled for this Saturday, March 23, at the Haliburton Legion with proceeds to go to the Haliburton County campaign effort.

Anyone interested in viewing an audio visual presentation on the CAT scanner or who wants assistance in setting up a fund raising event should contact Jack MacDonald.

Goal of the Peterborough Region CAT scan fund is \$1.8 million, of

which more than \$1 million has been raised to date. The CAT scanner will be installed at Peterborough Civic Hospital later this year, and will serve the areas of Haliburton and North Hastings, Peterborough, Victoria and Northumberland Counties.

Zoning change for spa finds support

Minden councillors have approved in principle a proposed zoning change to enable an exclusive health spa to be built on residential property owned by Wren Blair.

The 15 acre parcel with frontage on the southern portion of Lake Kashagawigamog is currently zoned seasonal residential, and must be rezoned to resort commercial before the development can be carried out.

Councillors were given a plan of the development along with a letter from Wren Blair outlining his proposal.

Included would be an addition to Blair's existing house, as well as six chalet units arranged around a swimming pool. The maximum number of guests expected to be at the spa at any one time is 40,

council was told, and impact on the lake is expected to be minimal, since activities would centre on the swimming pool and other facilities to be constructed as part of the project.

Councillor Gary Kenney said his only concern was that the municipality should exercise site plan control to ensure that the develop-

ment is acceptable to council. He noted that while the municipality's Official Plan does not make specific provision for site plan control, it is permitted under provincial Planning Act regulations.

Property owners within 400 feet of the Blair holdings will be notified of the proposed zoning change, and will have an opportunity to comment on it.

BIA to budget for study of core streetlights

Minden's Business Improvement Area association will budget this year for a streetlight study of the downtown core from Highway 35 to the Library/Cultural Centre.

Liaison representative Gary Kenney told Minden council last Thursday that while the area already has

streetlights, the BIA wants professional advice on how lighting might be improved to make the core more attractive.

Council agreed with the concept, and asked clerk Bev Millar to place an ad in the Daily Commercial News on the BIA's behalf to find a consultant who could carry out the study.

Zoning matters head Dysart agenda

Municipal Report

A regular meeting of Dysart Municipal Council was held in the Council Chambers on Monday, March 4, and the following matters were considered:

General Accounts totalling \$84,627.98, Road Accounts totalling \$51,561.34, and Social Services totalling \$15,283.82, were approved for payment.

The arena staff will have their duties extended to include certain janitorial duties at the municipal building and library.

Murray Robinson was advised that council will review his request with reference to 1985 land sales

and will determine after viewing the said block if it will be offered for sale in 1985.

The offer of F.T. Hollands for Lot 6 and 27, Industrial area, was accepted in the amount of \$5,500 plus \$3,500 respectively, and referred to Bishop and Rogers for closure, August 1, 1985.

Council requested the Ministry of Municipal Affairs and Housing to extend the draft approval on File 46T-81003, Rexfordgrace Limited, for one year.

An application for Certificate of Occupancy by Shirley Marie Brown regarding Lot 35, Plan 402, Ken-

nisis Lake was approved and the certificate will be issued upon receipt of approval of the septic system for the local Health Unit.

An application for an amendment to the Zoning By-law regarding Part of Lot 22, Concession 4, Dudley Township by William and Rosemary Welton was approved for SR1 and the holdings are to be used as one only dwelling lot.

Council supported the application of the Harcourt Recreation Committee for a licence under the Liquor Licensing Board of Ontario for a Fun Fair Baseball Tournament and Dance to be held from Friday, July 12 to and including Sunday, July 14, 1985. In addition council acknowledged the use and granted permission for such use of the Harcourt Community Centre and grounds.

Council concurred with the pro-

posal of E & H Holdings with reference to the Lakeshore Marine Building to be put in a special zone.

An application for an amendment to the Zoning By-law by Mrs. G. Hutson, Part of Lot 30, Concession 7, Guilford Township from Rural to SR1-1 was approved.

Warden D. MacDonald was advised that R. Glen Hodgson be the representative from Dysart et al to the Board of the LEAD Corporation.

The tender of Imperial Oil for the supply of petroleum products for the 1985/86 fiscal year was accepted in the amount of: 31.6 cents per litre furnace oil, 44.7 cents per litre diesel oil, 45.6 cents per litre gasoline.

Council adjourned at 3:30 p.m., until the next regular council meeting, April 8, unless called prior to that time by the reeve.

There's still plenty of snow around, but the sap has begun to run in maple trees throughout the area, a sure sign that spring, which officially arrives on Thursday, is not far away.

Too many?

A new tourist association has been formed in Haliburton County, joining a growing number of groups that are trying to attract more year round business. The latest addition to the county tourism picture is the 'Scenic Highway 35 Association' which hopes to promote attractions and services along the 25 mile corridor from just north of Minden to the Dorset fire tower.

On the face of it, there is no reason that anyone should feel threatened by this move, which appears to be evidence not of dissatisfaction with present vehicles for tourism promotion but of a more aggressive stance on the part of the business people along the north/south route. The association says it will work with the Chamber of Commerce, not against it or despite it.

And yet the very fact that there is a perceived need for this kind of an association indicates that the question of who should promote the county, and how, has not yet been resolved. Minden and Lutterworth have set up a Boundary Information Centre to distribute information about attractions in their municipalities. The Chamber has a new office in Minden. Stanhope Township has announced plans to construct a tourism information booth at the intersection of Highway 118 and Highway 35. There are booths in Haliburton and Cardiff as offshoots of the Chamber. Is the county reaching the saturation point? Is there a risk that in the foreseeable future municipalities and new tourist organizations will begin championing their own interests ahead of those of the county as a whole? There is no need to push the panic button yet, and there may never be a problem. It is possible that more work on tourism, no matter who carries it out, will benefit everyone. But there is also a possibility, however remote it may seem, that county wide tourism efforts could sink into a sea of competing groups, drowned under waves of literature extolling the virtues of one corner of the county over another.

Ensuring that does not happen will be a challenge not only for the Chamber and its members, but for the municipalities from which the bulk of the financial support for the Chamber must come.

Missed

There was good news this week for the many friends and supporters of Anson, Hindon and Minden reeve Lyle McKnight. The reeve is regaining his strength and some use of his leg after a stroke February 3 paralyzed one side of his body. Despite the setback and the daily demands of physiotherapy, he is reported to be in good spirits and looking forward to returning to the community in the near future.

Lyle McKnight has long been a tireless worker for his municipality, and for the county as a whole. And while deputy reeve Ed Pergolas is doing an admirable job of filling in at the municipality's top job, there is no question that Lyle McKnight is missed. His quiet, diplomatic approach to municipal responsibilities has served the community well. We here at the Echo are certain we speak for people all across Haliburton County in wishing reeve McKnight a rapid and successful recovery.

Reader supports editorial on taxation

To the Editor

To The Editor:

I am writing to express our view on your Editorial of March 14 re - Cottagers' Associations.

We bought a little retirement home here in Haliburton almost two years ago. We moved into a small one bedroom apartment in order to be able to make this move. We don't happen to be overly

rich. In fact we are just making it and are very happy to be able to do this. We love it here in Haliburton and hope to be able to make the complete move very soon, God willing. We have found a nice community and very good neighbours all about us, always trying to be just as helpful as can be, a lovely little piece of land with our little home with lovely trees, beautiful birds, yes and we even see a beautiful deer and other wildlife run through our land. We had a lovely garden last year; who could ask for more? We sure couldn't afford this in the big city. We find

Hard to be impartial in a small town

One of the most persistent myths about the profession of journalism is that the people who write news stories are, or ought to be, impartial. Reporters cannot be uninterested if they aspire to write good articles, but they should be disinterested.

The trouble with these concepts of impartiality and distancing is that they are almost impossible to live up to. Anyone who is at all involved in the world beyond his doorstep, as a reporter must be, has strong opinions on many things, and it's hard to keep these from creeping into news stories. It doesn't happen in the blatant way it used to in the days when libel and slander suits were rare and newspapers took pride in being sensational. Now there is a patina of professionalism among journalists that hides their inner feelings behind careful words and exhausting craftsmanship. But still, reporters and editors have opinions, values and beliefs that shape the way they see the world, and ultimately, the way they write about it.

In the community newspaper business it is harder to remain impartial and disinterested than it is in big city journalism. When you live in a small town and you write about its affairs, the people who figure in your stories are the same people you meet at the post office or on your way to buy a coffee. Everytime you put your fingers on the typewriter keys you think not only about whether you have the facts right, but about how

your story will be understood (or misunderstood) by the people who will read it and those who figure in it. That sort of immediacy always gives rise to caution, but in the end you just have to write what you know in the best way you can and live with the consequences.

Still, the challenge of impartiality is a haunting one. Take this week's announcement by Dysart et al reeve Murray Fearrey that he would seek the provincial PC nomination for example. It is easy enough to write a news story about the reeve's decision, but much harder to gauge my own reaction to it. And harder still to realize that should he get the nod, I would face the problem of reporting on an upcoming election battle that would pit him against Liberal incumbent John Eakins. How can you be impartial when you know both men personally, and admire them for a wide range of qualities? How can you hope one man will win when you know the other would also make a positive contribution to the process of governing, no matter where he may sit in the legislature? How can you deal with the need to express an opinion on the editorial page while at the same time reporting fairly and in an unbiased way on the front page?

The answers are not easy ones to find. But the questions are, I suppose, part of what makes the profession of journalism such a challenging one, whether your horizon is as wide as the world or as parochial as the boundaries of Haliburton County.

Feir play

by Creighton Feir

The Rotary Clubs of both Minden and Haliburton have spearheaded many projects over the years which are too numerous to mention. Of all the projects besides their help with disabled children, possibly one of the most worthwhile is the student exchange program. This program not only gives local students the opportunity to travel to other countries and learn about other cultures, it gives local families the opportunity to learn about cultures and life without really leaving Haliburton County. Four to six families get a chance to make a foreign exchange student a part of their life for a few months everytime a student is part of the program. The program, although small, is a way to create a better understanding among mankind throughout the world, and the Rotary Exchange and many other programs like it will help to make the world a better place in which to live.

I received a letter last week from my good friends Albert and Wilda LaRue, who spend the winter months at Apache Junction, Arizona. They stated that there are plenty of interesting sights to see not too far from where they live, such as the Grand Canyon, the Painted Desert, the Petrified Forest and the famous Tombstone and the London Bridge. They are not very far from California, Nevada and Mexico. The LaRues went on to say that this winter has been the coldest since they started going to Arizona, which was in 1976. They have been comfortable with a gas furnace and have stayed in more than other winters. I was certainly pleased to have received the letter and I look forward to talking with them when they return to the Haliburton Highlands sometime next month.

The March break is over for another year. This intermission during the year gives those who want to get away for a few days the opportunity to beat those winter blues. It would appear that more people than ever before took advantage of the holiday to get away. It was really quiet in the villages of Haliburton and Minden during the week and without a doubt there were many more people who went away on a holiday, compared with the numbers who came back into the Highlands.

The Sportsmen's Show which opened in Toronto on Friday and will carry on through to March 24 always draws a large crowd of people each year from Haliburton. It would appear from all reports that there will be more people than ever before going down to the big show. The local Chamber of Commerce and many of the local real estate firms will be represented with booths at the show.

There seems to be a great many people who live in the big city wondering how on earth we manage to get the time in here in good old Haliburton County. Well let me tell you that it's not hard. We have plenty of activities here to keep one busy most of the time. We also have many modern sports facilities in the county and when it comes to winter sports we have a great deal to offer. Some people tell me that during the winter months they are so busy that they don't seem to have a minute to themselves.

I was talking to Larry McKnight the other day and he told me that his father Lyle McKnight who suffered a stroke recently is on the mend and has regained the sight in his right eye. Lyle, who is a very popular fellow, is the present reeve of the Municipality of Anson, Hindon and Minden.

There is an old saying that goes something like this: "You never miss the water until the well runs dry." This statement also holds true when day after day, week after week you come to expect that Mike's Milk convenience store in Haliburton will be open at its usual hours. It's something that we just take for granted. After twelve years of being open seven days a week the store was forced to close for the first time on Monday evening, March 4 during a late winter storm. I told the owner, Mike Vuksic that it was the first time that I could remember the lights being turned off and the place of business being closed. This is when he told me that it had been the first time in 12 years.

As we all know the Haliburton Winter Carnival is over for another year. The results have been tabulated and now it's on to bigger and better things in the future. It would appear that we just get finished with one winter carnival when it's time to think about the next one which will be in February 1986. The organizers aren't going to wait until next winter - they have already thrown the wheels into motion. Next year's winter carnival chairman, Don Popple tells me that you can look for some sweeping changes in next year's carnival format and that he is planning on calling a public meeting sometime in September in an effort to hear the views of those in the community and to try and enlist more help from community organizations. This is certainly the kind of news that we have all been waiting to hear.

We are glad to report that Clifford Holland is well enough to return home following surgery at the Civic Hospital in Peterborough. He was in hospital for three weeks.

Report From Parliament

by Bill Scott, M.P.

New program to tackle acid rain

Two very useful programs were instituted in the past week which I want to briefly describe to you.

On March 6 the Minister of Environment announced a comprehensive program designed to reduce emissions in order to combat our acid rain problem. Sulphur oxides, given off by coal-fired power stations and non-ferrous ore smelters and nitrogen oxide, given off by vehicles, cause acid rain. The fishery, tourism, agriculture and forestry resources at risk sustain about 8% of Canada's Gross National Product. The key points in the federal program are:

1) Reduction of the acid fallout to no more than 20 kg/ha/yr of net sulphate. To do this emissions of sulphur dioxide will be reduced to no more than 2.3 million tonnes east of the Saskatchewan/Manitoba border by 1994.

2) Tougher emission standards for cars and light duty trucks will come into effect on September 1, 1987 for the 1988 model year. The standards will have the effect of reducing nitrogen oxide emissions from new cars, which contribute to the acid rain problem, by 45 per cent. Current standards of 3.1 grams per mile driven for nitrogen oxides, 2.0 grams per mile driven for hydrocarbons, and 25.0 grams per mile driven for carbon monoxide will be reduced to levels of 1.0 grams per mile driven, 0.4 grams per mile driven and 3.4 grams per mile driven respectively. These standards are as tough as those in any other industrialized nation.

3) The federal government will negotiate financial assistance to the smelting industry for modernization including pollution control in accordance with the scheduled emission reductions program. The federal government will contribute up to \$150 million as its share of the costs. The clean-up program is a shared responsibility between the smelting industry and the federal and provincial governments. Negotiations with the provinces and the companies will start shortly. \$25 million federal government assistance has been earmarked for the development of improved smelting technologies. We are continuing our support of

technology development for the cleaner and more efficient use of coal for power generation. Over \$70 million has been budgeted.

4) The creation of an Acid Rain office will ensure the coordination and cooperation necessary to make this program work.

5) The Parliamentary Subcommittee on Acid Rain will be re-established to audit the performance of governments and industry.

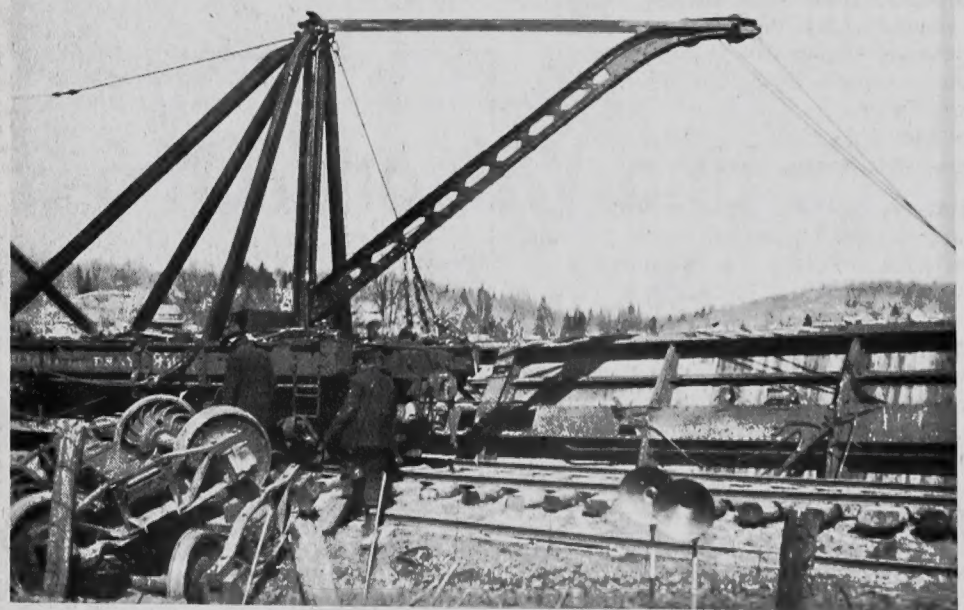

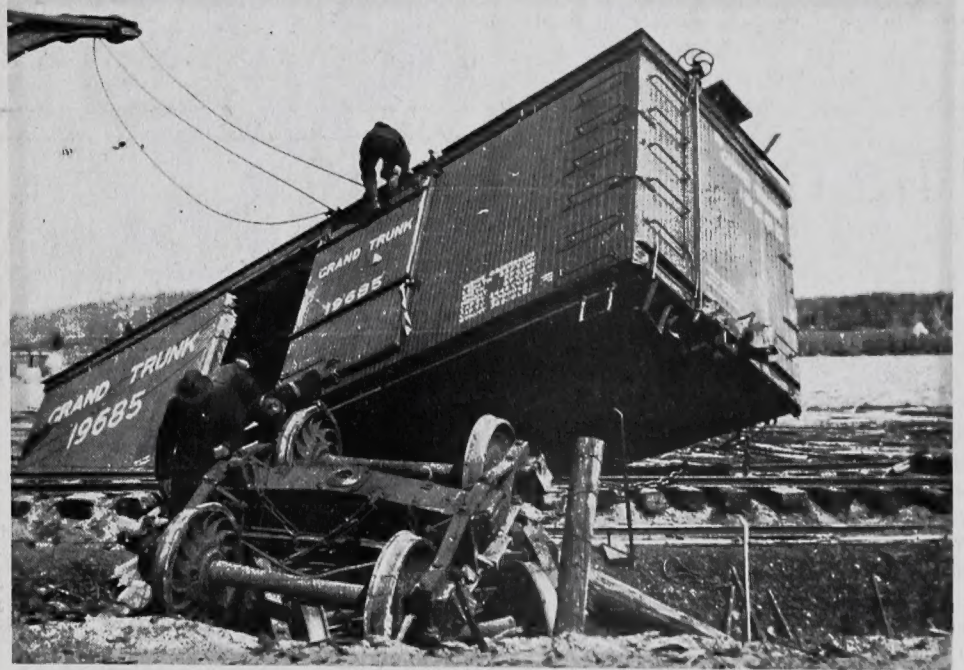

Canada is the first country to officially adopt a specific environmental objective designed to significantly reduce acid rain levels.

On March 8, the Hon. John Wise, Minister of Agriculture, announced a new lending program by the Farm Credit Corporation (FCC).

The new Shared Risk Mortgages represent an alternative to FCC's traditional types of loans. They will offer borrowers some protection against fluctuating interest rates. Their unique feature is that during the six year term of the loan, annual interest rate increases and decreases are shared by the borrower and the Corporation. To shield the borrowers from large interest rate increases, a two and a half per cent increase ceiling is built into the mortgage. If rates climb two per cent in the first year, the borrower's interest rate will be adjusted upwards by one per cent on the first anniversary of the loan. If rates drop two per cent, the borrower's rate will be reduced by one per cent.

Borrowers can choose between variable payment or fixed payment options. With a fixed payment option, installments remain constant throughout the six year term and any overpayment or underpayment of principal is reflected in an annual adjustment to the principal outstanding. The borrower has the additional option to convert the Shared Risk Mortgage to another Farm Credit Act mortgage or to repay the loan on any anniversary date, without penalty.

The interest rate for these loans will normally be less than the five year rate charged by the Corporation. Eligibility criteria will be the same as for other loans made under the Farm Credit Act.

Pic of the Past

On Christmas Eve, 1922 the railway train coming

from Lindsay was derailed on the south shore of Barnum's Lake. Some of the boxcars and coaches took fire and the resulting bright glow could be seen in the village of Haliburton. Some of the passengers were injured -- no one was killed. These pictures, showing the clearing of the wreckage, were submitted by Douglas Hodgson.

Queen's Park Report

by John Eakins, M.P.P.

University system is in jeopardy

Two government appointed commissions have come up with the same assessment of the university system. Both the Fisher Committee on the Future Role of Universities in Ontario (1981) and the Bovey Commission on the Future Development of the Universities of Ontario (1984) found, as fact, that levels of provincial support were entirely inadequate, and that provision of quality university education for all qualified students was becoming impossible.

The vital importance of the university sector was recognized by the Conservative government in Ottawa, when it recently announced its intention to increase federal support to universities by 7.47 percent this year.

It is a little known, and less understood, fact that the federal government provides the lion's share of funding for provincial university education. The funding comes through the Established Programs Financing (EPF) provisions which apply to the provincial health and post-secondary education expenditures. As well, the Government of Canada almost exclusively supports university research and development through the National Science and Engineering Research Council (NSERC), and provides very significant student support through the Canada Student Loan Plan.

Until 1977, federal funds went directly to

universities. In 1977, a new arrangement was negotiated with the provinces, and a new formula devised. However, the funds from Ottawa were no longer "earmarked", but were simply to be paid over to the provincial treasury. It was assumed that the province would continue to allocate these federal funds in the same proportions they had in the past.

In 1977, the federal payments accounted for approximately 75 percent of university operating expenditures. Since 1977, the federal share has increased to over 90 percent and the provincial contribution to university expenditures has eroded to less than 10 percent of operating expenses in 1984-85. During the years of Liberal government in Ottawa, the provincial Conservatives complained bitterly about EPF levels, particularly during the period of 6 and 5 restraint. Now, the Conservative federal government has seen the necessity of restoring support to the university sector, only to find their provincial counterparts are committed to cheating universities of their fair -- and desperately needed -- share.

The Minister of Colleges and Universities recently announced that university operating grants will amount to \$1 billion 244.0 million for 1985-86. But of that sum, the contribution from the provincial government, amounts to a scant \$78 million. That is only \$9 a year for every person in Ontario, although the Ontario government spends nearly \$12 per person per year on government advertising and Suncor debt payments alone.

There is no longer any doubt the system is in jeopardy.

Question

By Catherine Denholm

Are we unforgiving?

We have been described lately in several ways. The usual description for Canadians is dull. Our Prime Minister told Fortune Magazine that we were inefficient and unreliable. A United Church minister in Toronto wrote last week in the Star that we were hard and unforgiving.

I am rather proud of the word dull since it means that we are slow to anger; that we are not raucous and that we negotiate instead of fight - hockey games apart. The Prime Minister was talking about industry and his criticism does seem unfair but it is the hard and unforgiving description to which I strongly object.

Mr. Elliott, Minister of Bloor Street United Church, writes that Canadians are too hard on their public figures. We should have forgiven Richard Hatfield, Elmer McKay and Robert Coates. He says, "We are guilty of sins similar to those that have been condemned in these figures." In my opinion we have not condemned these men but we are questioning them and will

Please turn to Page 8

Directories go at Sportsmen's Show Chamber

by Emily Skinner

If you attend the Sportsmen's Show in Toronto this week, be sure to visit our booth. Our location is aisle W 14-16. We are well represented with a colourful, happy booth. The Rails' End quilters have produced yet another beautiful quilt for

display and many resort owners have sent their brochures to entice new visitors. Lorna Hicks is manning the booth and she reports we had an excellent opening. Our directories are being "consumed" by interested parties. The Sportsmen's Show is the widest exposure our county receives throughout the year. If interest generated at the opening weekend is any indication we should look forward to a busy summer season.

If you have called the Chamber office lately and

Please turn to Page 7

Letters

from page 4

we have so much more privacy and fresh air and clean water. We find our little property in Haliburton our own little garden of Eden.

How can anyone not expect to pay taxes for schools or whatever else we need to make our town a better place to live? We believe that we get plenty for our tax dollar. We have good shops and restaurants, good courteous people to serve you, good roads, hard working people to look after them and all of the beauty which surrounds us, plus church of our choice. We don't begrudge paying our taxes. We just feel good to be able to live in such a nice clean location and away from the hustle and bustle of the city. That's our view.

Yours truly,

Roy and Jane Dickson
RR 2, Haliburton and Don Mills, Ont.

To The Editor:

How fortunate we are to live in Minden in the County of Haliburton. Lyle and I are just overwhelmed by the concern shown since his stroke. The prayers, cards, flowers, etc. are such a boost to his spirits and he just keeps saying "With all this help he can make it."

He certainly is improving. Although he has to learn to walk again, and his left arm will not yet do what he wants, he feels he's in pretty good shape! So thank you friends, we really appreciate your concern and help.

Sincerely,

Linda and Lyle McKnight

Bantams take charge in Ontario semi final

The Haliburton Bantams started the All Ontario semi finals last Saturday against Ennismore and came away with a 7-5 victory. The win was a costly one however as the Huskies lost one of their star wingers. Jaro Cooper suffered a broken leg after being checked in front of the opposition net. Cooper went down in such a way to cause a fracture of his left leg.

The Huskies led 3-0 at the end of the first period. Alan Rydman started off the scoring with only one minute gone in the first period. Rydman stick handled beautifully through a maze of players and pulled the Ennismore goalie out of his socks to deposit the puck in the net.

Jaro Cooper connected for the second goal at 11:14 of the first period assisted by Erin Nicholls and Jeff Francis. Ron Perrin made it 3-0 at 9:54 of the first on a pass from Jeff Francis.

The second period was only 41 seconds old when Erin Nicholls connected from Scott Russell. Ennismore scored two in a row to make it 4-2 before Erin Nicholls increased the lead to three after receiving a pass from Ron Perrin.

Ennismore came back again with two goals to pull within one.

Scott Russell scored at 11:42 of the third on a fine end to end rush to widen the margin to two but Ennismore scored again at 9:01 to narrow the spread to one goal.

At 4:28 of the third Scott Russell scored again after receiving a relay pass from Jeff Warburton to finish out the scoring and Haliburton won 7-5.

The game was a rough affair with 58 minutes in penalties being called.

Gavin McKnight was between the pipes for Haliburton and the defensive unit of Drew Mitchell, Colin Hunter, Darren Byers and Ron Perrin played well.

On Sunday in Ennismore

second period assisted by Alan Rydman and Jeff Warburton. The Huskies then displayed an awesome attack despite being subjected to some of the dirtiest tactics seen all year. The Bantams scored eight goals in a row. Scoring for Haliburton were: Perrin from Nicholls and Warburton, Nicholls from

more at 2:34 of the third and Scott Russell finished off the scoring for Haliburton, assisted by Gavin McKnight. Haliburton won 11-3.

There was a total of 68 minutes in penalties called.

The Huskies combined good offensive and defensive skills for the win which was further enhanced by the fact that the boys wanted this game badly for Jaro Cooper.

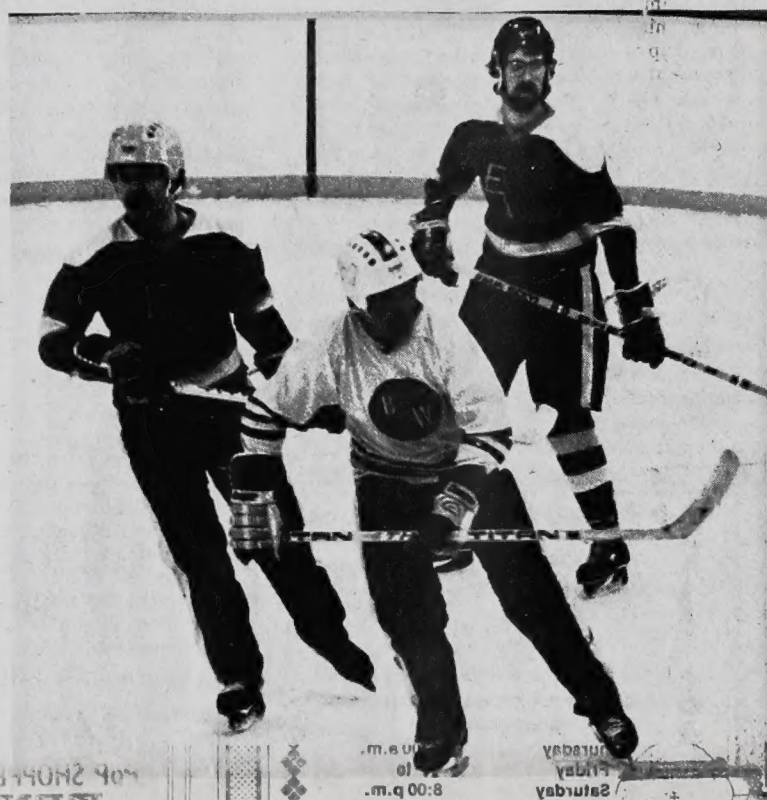

Gavin McKnight played strongly as he turned aside 19 of 21 shots on goal. The Huskies played at home on Tuesday night but game stats were not available by press time.

The home town fans have been out in substantial numbers and it appears there will be standing room only for future games.

Cooper out with broken leg

the Huskies trailed 2-0 after only eight minutes of the first period. Drew Mitchell, playing the right wing in place of Jaro Cooper, reduced the deficit by one, assisted by Scott Russell. Colin Hunter tied the score at 12:07 of the

Francis and Mitchell, Francis from Nicholls and Mitchell, Russell from Warburton, Perrin unassisted, Perrin unassisted, Nicholls from Mitchell, and Nicholls from Francis. Ennismore scored one

Bishop and Wilson are out to defend their league championship against first place Emmerson Lumber in the Haliburton men's league final, which got underway Monday night.

Ice fishing season nearing an end

Warmth is finally returning to the Highlands after a long winter and ice fishermen are preparing to remove their huts from local lakes. Deadline for huts to be taken off is March 31.

Minden MNR conservation officers did not carry out a creel census of the ice fishing this year but fish and wildlife supervisor Dave Atkinson says fishermen have reported "fairly good" results.

The primary catch has been lake trout and pickerel.

JOEY SAYS... "PLAYSAFE"!

Joey was only four when the toboggan he was riding slid into the path of an oncoming train.

The toboggan was moving so fast. He couldn't stop it or jump off in time. His left arm was severed below the elbow.

Joey, a member of The War Amps' Child Amputee Program, doesn't think his artificial arm works as well as his real arm did.

PLAYSAFE II: Don't Let It Happen To You is an award-winning film featuring Joey and Champs from across Canada. In a kids-to-kids approach to safety awareness, the young amputees describe in detail how their accidents happened.

In order to avoid danger, children must first learn to recognize it. Joey and his friends warn all children to **PLAYSAFE!**

PLAYSAFE II is available on film or videocassette, free of charge. Contact The War Amputations of Canada for further information.

Atoms split two with Newcastle

Last week the Haliburton Atoms lost in Newcastle and won at home.

In the first game against Newcastle the local boys got on the scoreboard first on a goal by Greg Stamp with assists going to Jeff Black and Derek Wilson.

Newcastle scored twice in the second period to give them a 2 to 1 lead after two periods.

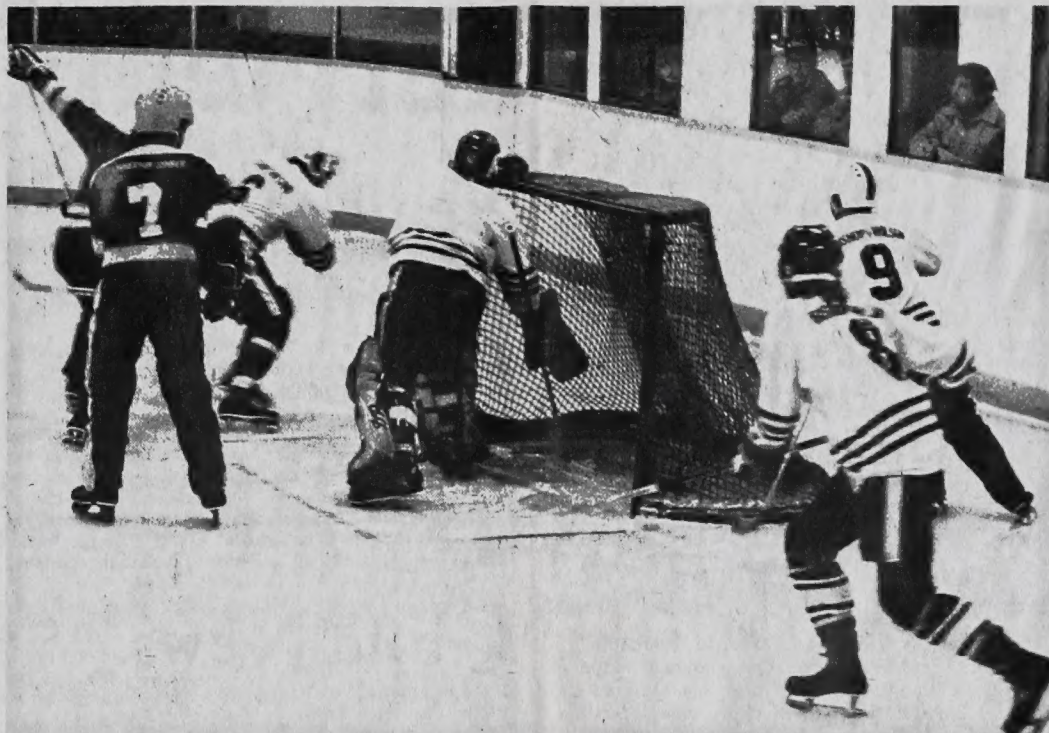

With just 11 seconds gone in the third period Newcastle scored to give them a 3-1 lead. The score stayed this way until late in the game when Haliburton pulled their goalie and Newcastle scored in the open net to make the final Newcastle 4, Haliburton 1.

On Friday night these two teams played their second game in the best of five series.

Haliburton's Derek Wilson opened the scoring with Greg Stamp getting the assist. Newcastle tied the score with three minutes left in the period. Newcastle went ahead early in the second period and with one minute left in the period Derek Wilson scored his second of the game with Greg Stamp assisting.

Four minutes into the third Wilson and Stamp teamed up again to give Haliburton the lead. With five minutes left Jeff Black scored an insurance marker, and two minutes later Chad Bain gave Greg Stamp a nice pass to make the final Haliburton 5, Newcastle 2.

The local boys play their next home game this Friday at 7 p.m.

The action was fast and furious around the Emmerson Lumber net on Monday night in the opening game of the Haliburton men's league final. Bishop and Wilson

won the game 6-3, and could be on their way to another championship.

Novice Blue battle Bobcaygeon in final round of tournament

On Saturday the Haliburton Novice Blue team travelled to Fenelon Falls to participate in a tournament.

In the first game the local boys faced a team from Lindsay. The game was close through the first period, but

then Haliburton got on track and skated to a 7-2 final.

Goal scorers for Haliburton were Mark Stamp and Jonathan Bishop, each with the hat trick, and a single to Tim Keefer. Curtis Bain, Carmen Sawyer, Jeremy Ni-

migon and Ryan Smith picked up assists. This win put Haliburton in the championship round.

Minden were the opposition in the second game and the Blue team proved to be too strong for them. Jona-

than Bishop was the big marksman for Haliburton with five goals, while Mark Stamp picked up the single, to produce a final score of 6-2. Curtis Bain, Kenny Teasdale, Randy Smith and Tim Keefer assisted on the

goals.

The third and final game was a see-saw battle all the way through, but Bobcaygeon hung on and took the "A" championship with a 3-2 victory. Mark Stamp picked up both goals from

Haliburton with assists going to Curtis Bain, Colin Morrison and Jeff Miscio.

The boys received pennants, ribbons and pins for their efforts.

457-1037

Daisies lead Asters

Daisies are in the lead in the eight game of the third series with a total of 41 points. Asters have 31, Forget-Me-Nots 29, Petunias 26, Marigolds 21, and Roses 20. Total points to date are: Daisies 119, Petunias 99, Asters 95, Forget-Me-Nots 84, Roses 77, and Marigolds 70.

Those with 200 points and

over are: Darlene Fearrey, 220, 220 (from last week); Kay Barry, 212, 226, 628 triple; Muriel Peters, 238; Laura Carnegie, 204; Mima Burwood, 218; Mary Lou Bird, 205; Harry Henderson, 261, 224, 658 triple; Ev Stata, 249; Ethel Gainforth, 212; Sandy Barr, 205; Iris Meredith, 291, 204, 662 triple; Gloria Wagg, 208.

Chamber busy in Toronto

from page 5

wondered who belonged to the new voice, it's Julie Hartin. Julie will be happy to try to answer any questions and help any way possible. Don't hesitate to call anytime.

March 30 is maple syrup day at Dorset's Leslie Frost Centre. One of the most popular questions we are asked by visitors to the Chamber office is "Where can we go to watch maple syruping?" Dorset is one place that offers a full day's program. It's an excellent spot to take children and everyone in our county should take time to enjoy one of our natural resources on display.

Haliburton Highlands is developing into an artistic community at a rapid pace. We at the Chamber are pleased to welcome three more artists - Helen Newton, Seasons in Silk; Rickie Woods, Pottery; Wendy Ladurantaye, Dreams Come True.

Northern Lights

by Virginia Muenzel

Swan Lake

The ballet is only ever performed by the prima ballerinas. Only the very best can capture the grace and delicacy of the lovely bird.

The swan came to visit us last week. Most of the winter, she had spent in the small area of open water where Gull River empties into Grass Lake. But each year, in the middle of March, she comes to us, like a great harbinger of spring.

The ice in the bay of Cranberry Lake is breaking up, and in the midst of the newly opened water, we saw her early one morning. At first, with her head tucked under her wing, she looked like a large clump of ice that had broken away from the rest. But then she raised herself up, looked around, and began dipping her long, slender neck into the icy blue water for her morning meal.

She stayed for several days, and we, along with most of the neighbourhood, spent a lot of time with our glasses trained on her. We watched her preen her feathers, feed amongst the shallows, until her neck feathers took on a murky tinge. And saw her float in and out of the ducks, to send them scattering out of her way.

Each morning, we looked at her, first thing, and felt a sort of joy in our hearts, to see her still floating there. I found myself checking several times a day, what she was doing.

Then, Saturday, we were up shortly after dawn. The sky hadn't clouded over yet, and there she was in the centre of the bay. In the glare of the early morning sun, she was white on white. Like a sculpture in ice. So regal, and statuesque. So serene. So alone. We know they mate for life. Seeing her solitary existence, makes one wonder if there could be some sad, romantic story to explain her loneliness.

As we stood at our window, she got up onto the ice, and began to walk around. She sat for a minute, blending into the background. Then, we were distracted, and turned away, and looking back, we saw her air-borne. With her long neck stretched out, and her silvery white plumage, and the enormous wing-span, she resembled the huge Concorde jet. She flew a ways down the channel, then banked around and began to fly up-river. We followed her flight as far as we could see. But she kept on, towards Eagle Lake.

I don't know where she went from there. She must find open water. Perhaps she has other places to go, to announce the arrival of spring, and give hope of brighter days. Maybe she's retracing the route she once took with her mate, hoping to find him again.

I hope she does.

The Echo has Specialists in every field.

Jane Taylor of Wilberforce, Ontario graduated on November 24, 1984 from the Diploma Nursing Program, Canadore College, North Bay, Ontario. On January 24, 1985 she successfully completed her examination to become a Registered Nurse. Jane is the daughter of Mr. and Mrs. Fred Taylor of Wilberforce, Ontario.

Question

Are we unforgiving?

from page 5

continue to question until there has been a complete disclosure of what happened.

Richard Hatfield's name was linked with drugs and young people. I will continue to have questions in my mind until there is a complete investigation. Elmer McKay, as Solicitor-General, appears to have given preferential treatment to a provincial premier who was under investigation - a consideration not available to ordinary people. If there was nothing wrong with that meeting why were we not told exactly what took place, why the meeting was held and what it was all about? Robert Coates' case is different. We know more details about his evening out in Germany than we want to know. He did a foolish thing which embarrassed his government. He did not give away any secrets but he played out the whole spy story scenario of the high-level defence official chatted up by a prostitute for drinks and information. He went to the back bench where he belongs.

Canadians are not unforgiving of their elected representatives but they do not want any signs of a cover up of controversial situations.

I have a great concern about these three men. Will they lose out in the next election and as a reward for long-time party loyalty will they be appointed to the Senate?

Residents enjoy visit

Senior League

by Bert Harrison at Hyland Crest

Dear readers, a lot of things are happening here. To tell you all about it I'll do my very best.

Della Curry's family came and stayed with her to dine. Ada Alcorn had her sister Mary, brother Sinclair and wife too. Others had company come to call. It is so hard to keep track of it all.

Annie Cox had a phone call from her son Loyne in Florida. It was his birthday. He and his wife are having a nice holiday while they are away. Annie Cox has some of her family call every single day. Angus Coulter had a birthday too on this tenth of March day, first how many years I'd better not say.

Guild News

Fashion show

The Guild is happy to be presenting its second members Fashion Show since its inception. If you remember three years ago the Guild Weaving group presented a collection of their creations. This proved to be an enjoyable evening which displayed the true talent of our local weavers.

Our second fashion show, which is entitled "The Easter Parade" will be held April 12 and includes fashions by our Guild members and invited guests.

After talking to members we learn that there are many people out there knitting, weaving, painting, quilting and sewing for this upcoming show. We say "good work and keep creating."

Heather Scully is the chairman of this committee and she wants to be sure that we have plenty of fashions, so she and her committee encourage any interested members who haven't heard about the fashion show to call the Gallery and learn the details.

Vogue has sponsored us by providing several of their patterns for our use. These are loaned to members library style and can be used for the fashion show or at any other time.

We hope that the majority of fashions will be created by Guild members. We have invited our friend Bill Fitches, fibre artist, and jewellery makers whose work will accent the fashions.

We are looking forward to an exciting show which highlights the fine work of our Guild members.

Everyone is invited to take part and become part of the fun and enjoyment.

Coming up this week we have two film days for quilt lovers, March 19 and 21 at 1 p.m. Ellen Fyfe will be teaching "Swedish Embroidery" on Thursday, March 28.

Concert goers remember that "Eritage" will be here on April 1 at 8 p.m. and "Primadonna" on April 23.

The Guild and Gallery welcome new members. Call us at 457-2330.

Angus works six days a week making old furniture like new. If he had to quit his job I don't know what he'd do.

Rev. Burgess took his message from the first book of Psalms, Sunday night. Monday morning down at 'Fun & Fitness', it was so nice to have Fern Donnelly back with us again. She hadn't been here since I don't know when.

Earl and Alice Langton came to Hyland Crest this eleventh March day. They stayed and had lunch with Lola Prentice, before they went away.

We went down to the auditorium Monday night to watch the Boy Scouts in training. This is very good for them, much knowledge they are gaining.

Teddy Carr has had a very bad case of flu, but as we write this letter it's leaving the hold on him and he is getting better.

Tuesday morning Rev. George Elliot of Minden Anglican Church conducted a communion service in the chapel. Fred Ballard came with music to play.

Linda showed us two movies Tuesday afternoon, which were enjoyed by all. "An Island Observed" and "Asia Landfall".

Jackie Hamilton who used to work here, would like to be remembered to all here.

Do you think these nice sunshine days have helped to chase the flu away?

The games we play down at 'Fun & Fitness' are always good. Wednesday morning knocking down the bowling pins was won by Millie Wood.

Our musicians came on Wednesday night. Kathy Owens and Earl Cooper. They sure know how to entertain - a pair of real troopers. With Kathy on the piano keys and Earl on the fiddle, the music is just grand. Then Kathy plays the accordion and sings some good old hymns. Just how to thank them I wouldn't know how to begin.

Thursday afternoon, the ladies of the Haliburton Baptist Church came down to Hyland Crest, brought and served lunch and were our special guests. Then Doris played for a sing along, all singing with a will, like the birds in the treetops "On Mocking Bird Hill".

I just received a letter with a copy of 'The Haliburton County Home Support Program'. They are doing a fine job. Please help them all you can.

Grace Coburn is back with us today after getting bruised from a bad fall. Fred Ballard came the music to play. We had a social time together this fifteenth of March day.

The Auxiliary had their card party Friday night and I guess from the numbers of people who came to play it was a real success.

Trip an experience for octagenarian Wilberforce

by Winnie Schofield

Mrs. Violet Bowen, who turned 89 on her December birthday, has added a new experience to her busy life. She has just returned from a two week stay in Florida. With members of her family she travelled in a mobile home unit to the southern States and says that they had a beautiful time. They camped in a park under a tree, tented out, cooked all their meals and basked in the warm sunshine. She thoroughly enjoyed the trip and can now face the last days of winter with renewed vigour.

An electric heating system has been installed in the Anglican Church and this will improve comfort for those in attendance. A few months ago new roofing was added and protective lighting on the church building.

On March 29 you will be able to enjoy a fine evening of music sponsored by St. Margaret's Church. Coming to the Lloyd Watson Centre is the St. George's Gospel Choir from Haliburton. A film will be shown entitled "Ordinary Guy". The program begins at 8 p.m. Coffee and cookies will be served. Donations will be accepted.

The Wilberforce Curling Rink was the scene of action this past weekend when the Silver Springs Bonspiel brought together competing rinks. After two days of curling Fred Berning with his rink of Brenda Berning, George and Gerri Waugh secured first place in the standing. Coming second was Dennis Fidler with Ruth Fidler, Dave and Debbie Nicholson. Third place went to Ed Zelinski with his rink from Bancroft and fourth place went to Max Walsh with Roberta Walsh, Sharon Stoughton and Mike Oram. This was a successful event. Much of the success goes to the ladies who helped out in many ways, not the least of which was the preparation and serving of a wonderful meal.

Look for another great bonspiel next weekend when the annual Firemen's event will be taking place. St. Patrick's Day celebra-

tions were held at the Legion Hall on Saturday evening with a dance and music supplied by a four piece band. Francis Shaver won applause when she sang a medley of Irish songs. Lunch was served to finish the occasion.

The Legion Hall is constantly being improved with attention being paid to the addition of serviceable areas and equipment. Recent donations made by the Legionnaires and members of the Ladies Auxiliary were to the Monmouth Figure Skating Club, and, in honour of this year's anniversary of the Guide movement, to the Girl Guides and Brownies. With contributions such as this our valuable youth groups can continue to operate.

The Wilberforce Bantam hockey team travelled to Oakwood on March 14 for a one day tournament consisting of eight teams. They won their first game against Peterborough 4-2. Their second game was an exciting one as they defeated Lindsay 3-2. This put them in the "A" championship game against Little Britain. Although our team played well they were defeated 3-2. Congratulations to our team.

The Monmouth Cup hockey tournament will be held on March 23 with the Tykes starting at 12:30.

Spring cleaning time is here again. When discarding unwanted odds and ends don't forget that your library would be glad of these items for their flea market sale on April 6. Please leave them at the library or phone Bessie Croft at 448-2973.

A big treat is in store for all when the Monmouth Figure Skating Club presents "Melodies on Ice" on March 23 at the arena. The guest skater is from Minden. Advance tickets are available from club members.

The Monmouth Recreation sponsored St. Patrick's dance, held on March 16, drew a large crowd of young people to the Lloyd Watson community hall, where they danced to the music of that most popular group, "Six Pack".

Area lakes remain frozen but spring break-up isn't more than three or four weeks away. This photo looking across Beech Lake in Stanhope Township

shows that areas of open water already are beginning to appear where currents move.

Red Cross benefit a success

Guilford News

by Elinor Cooper

Bill, Jan and Andrew Hlywka had a few days' holiday at the Sawyer home- stead during the March break.

The program to raise money for the Red Cross Society was held on Friday evening and was moderately successful. It was a lot of fun for those of us involved in the entertainment and everyone who came enjoyed the goodies served afterwards. Thanks to all who helped make it a success. Approximately \$100 was raised.

Did you know that you don't have to be over 65 to enjoy the drop-in centre? This excellent and comfortable facility is an available and convenient spot on your way in to town from West Guilford. It's on the right just before you cross the bridge. The delightful thing to do is stop there before you cross the bridge and discover for yourself the warm welcome, the comfortable chairs, the beautiful and interesting art (possibly by someone you know) and just enjoy the tea or coffee offered by a friend

Bambi Gilder, Donna Bailey or Katherine McMahon are the helpful people always on hand. Katherine is arranging

a super programme. Drop in and find out what's going on there.

George Cooper is home for a few days from Vancouver. E. Cooper is still receiving Red Cross donations and giving receipts to anyone who is able to give to this cause before the end of March.

We wish Jaro Cooper a

completely successful recovery from his spiral fractured leg, broken at the hockey game last Saturday night. The patient is at home and doing as well as can be expected under the circumstances of crutches and leg cast.

Grenville Stamp is once again having to undergo tests.

Community News

Spring activities are now underway

Drop in Centre

By KATHERINE McMAHON
The Haliburton County Home Support Services' Drop-In Centre started their spring activities this week. All seniors (55 years and over) and handicapped persons are invited to attend.

The Coffee Hour speakers for next week are: Monday, March 17 - Murray Fearrev,

reeve Municipality of Dysart et al, discussing current events at council. Wednesday, March 27, Derry Wilford, photographer, discussing photography. Coffee hour starts at 10:00 a.m. to 11:30 a.m.

Come out and join the Fitness Walk, Tuesday and Friday mornings 10:00 -

11:30 a.m. Spring is happening here so let's step into summer fitter!

Tuesday, March 26 the afternoon movie will be 'The Please turn to Page 11

Some of the local people sun bathing in Florida report that the weather is gorgeous down there now with 80 degree temperatures. Let's just eat our hearts out.

Be happy. It is a way of being wise.

H.H. When presenting a gift of note-paper and envelopes to shut-ins or the elderly, put a stamp on each envelope. It will be greatly appreciated.

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW TO CLOSE, STOP UP AND CONVEY CERTAIN PORTIONS OF A ROAD MORE PARTICULARLY DESCRIBED HEREIN-AFTER.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298 of the Municipal Act, R.S.O. 1980 as amended, that the Township Council of the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Haliburton, Ontario on Monday, the 8th day of April, 1985, a By-Law to close, stop up and convey to the adjacent land owner the following described lands:

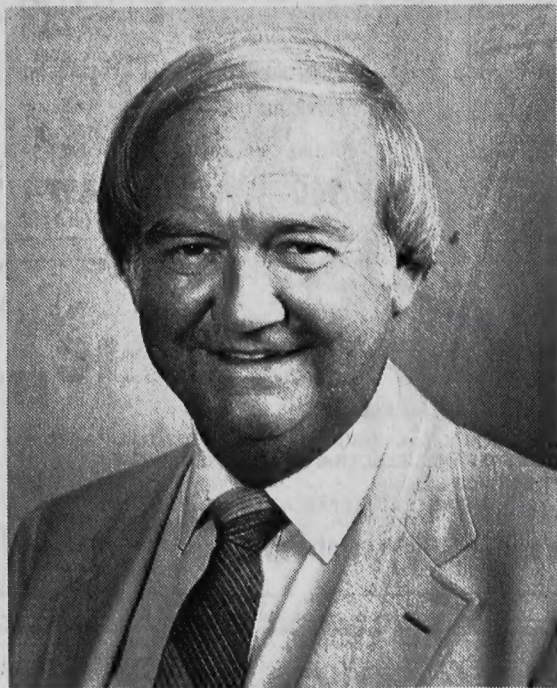

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Dudley, in the County of Haliburton, being composed of Part of Wenona Road East on registered Plan of Subdivision Number 482, in the said Township, and being more particularly described as follows: - PREMISING that the bearings herein are astronomic and derived from registered Plan of Subdivision Number 482. COMMENCING at the North East point of Block A on registered Plan of Subdivision Number 482; THENCE North 24 degrees 01 minutes West, 66.10 feet to a point which is the South East point of Block B on the said registered Plan of Subdivision Number 482; THENCE South 62 degrees 56 minutes 10 seconds West, 90.41 feet to a point; THENCE South 40 degrees 25 minutes 40 seconds West, 263.30 feet to a point; THENCE South 20 degrees 57 minutes 30 seconds East, 420.77 feet to a point; THENCE South 20 degrees 53 minutes 40 seconds East, 124.41 feet to a point; THENCE South 32 degrees 40 minutes 10 seconds West, 200.19 feet to a point; THENCE North 53 degrees 58 minutes 50 seconds East on a straight line to a point which is the South West corner of said Block A, on registered Plan of Subdivision Number 482, and which is also a distance of 239.10 feet measured Northerly thereon on a course of North 69 degrees 35 minutes East from the South East corner of said Block A on registered Plan of Subdivision Number 482; THENCE North 44 degrees 54 minutes 30 seconds West, 56.18 feet to a point; THENCE North 20 degrees 53 minutes 40 seconds West, 124.45 feet to a point; THENCE North 20 degrees 57 minutes 30 seconds West, 381.63 feet to a point; THENCE North 40 degrees 25 minutes 40 seconds East, 174.98 feet to a point; THENCE North 62 degrees 56 minutes 10 seconds East, 73.75 feet to the point of commencement. SAVING AND EXCEPTING thereout and therefrom that portion of the original allowance for road laid out along the shore of Lake Wenona contained within the limits of the herein described parcel. WHICH SAID parcel or tract of land may be further illustrated on the said registered Plan of Subdivision Number 482, and which Plan was made by E.W. Petzold, Ontario Land Surveyor, dated February 19th, 1968, and is available for inspection at the Township of Dysart et al offices, Haliburton, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-law at the meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde shall then and there hear in person or by his counsel, solicitor or agent, any person who claims that his land will be affected by the said By-law and who applies to be heard.

DATED at Haliburton, Ontario this 11th day of March, 1985.

WAYNE B. WOOD, C.M.C.
CLERK-ADMINISTRATOR

NORVEL HAYES

HEALING SERVICES

Norvel Hayes has been used mightily of God to set thousands of captives free as the gifts of the Holy Spirit are manifested in his ministry. Prosperous and successful owner of ten businesses, anointed minister of the Word who delivers messages that offer audiences Biblical solutions in the areas of finances, physical, and emotional health. Popular convention speaker and founder of New Life Bible School in Cleveland, TN, Norvel is known for his humor and bold delivery.

Red Cross branch plan dinner

Minden News

by Maizie Austin

By MAIZIE AUSTEN
The winners of the Museum Fund Thursday afternoon card party at the Library/Cultural Centre last week were the following: lone hands, Freda Harrison; other winners were Joyce Hewitt, Lil Porter, Sid Rowe and Jack Weekes.

Little Scottie Morrison is coming along fine following surgery. Get well soon Scottie.

Don't forget the Minden branch of the Red Cross will be holding their annual meeting and dinner Wednesday, March 27 at the Minden Curling Club at 6:00 p.m.

Have you ordered your homemade Easter egg at \$1.50 per egg? If not call Linda at 286-1817. You can get them personalized upon request.

Thought for the day: He who plants thorns cannot expect to gather flowers.

Join in the 50's and 60's dance at the Minden arena on Saturday, March 23 at 8:00 p.m. Try to dress for the occasion. It sounds like fun.

The Women's Institute meeting on Wednesday, March 20 at 2 p.m. at the Library/Cultural Centre will be showing movies and slides. All ladies are welcome.

There will be free skating at the Minden arena on Sunday, March 31 from 2 p.m. to 4 p.m.

Steven Stuart has done well in the snowmobile races

this winter. Congratulations Steven.

Household Hint: To remove ballpoint pen ink from white cotton and linen, rub with vaseline, sponge with dry cleaning solvent and launder in hot suds. If stain persists treat with nail polish.

Mary-Lou and Jennifer Packard are down with the flu. I hope you are both feeling better soon.

Laureen and Eldon McCracken had their daughter Dorothy, son-in-law Allan and grandchildren John and Janine spend some time with them over the school break.

If anyone has any news for me to include in my column please call 286-3607. Thank you.

I hope all you younger ones enjoyed your winter break.

Robbie Ackerblade spent some time with his grandparents, Mr. and Mrs. Wilfred Ackerblade last weekend.

Lloyd and Ruth Harrison, Jennie Anderson, Bob Ackerblade, Russ Paul and Sharon attended the Safe Driving Award banquet in Peterborough last Saturday evening.

Loretta Anderson is recovering at home following surgery in the Peterborough hospital. We hope you are feeling better soon Loretta.

Lily Dugan is at present a patient in the Haliburton Hospital. Get well soon Lily.

Mary MacDuff spent a few days in Lindsay and Peterborough visiting friends last week.

Helen Dugan's sister, Freda Linstead of Bakersfield, California, died last Thursday. Sincere sympathy to Helen and family.

Bessie Burk, Mary Hicks and Marg Bibby visited Alice Brohm last Wednesday afternoon.

The Zion United Church in Carnarvon are having a two hour Gospel music service by the Glad Tidings group directed by Jock Mavors on Sunday, March 24 at 7:00 p.m. The group is from Wexford Presbyterian Church of Scarborough. Mr. Mavors is a member of Zion United Church choir. There will be refreshments and fellowship hour following the service. There will also be a collection for the choir fund. Plan to attend.

Sincere sympathy to the family and friends of Al Hodgins.

Recipe for the week: Winnie's Salad - one small package of lime jello, one can crushed pineapple, one 8 oz. package cream cheese and

one cup boiling water. Dissolve lime jello in cup of boiling water. Add one cup of pineapple juice. Let set softly. Add cream cheese (cut in small pieces). Use electric mixer to whip in. Let set. When it thickens (for some time) add one cup crushed pineapple. Stir in and chill.

The Royal Canadian Legion public speaking contest will be held on Thursday, March 21 at 7:30 p.m. at the Haliburton Legion. Everyone is welcome. The winners go on to the zone competition in the Fenelon Falls Legion on Sunday, March 24.

Has anyone ever heard of an Amaryllis bulb blooming in the package? Mrs. Hugh Alton has one that had two blooms on then developed three more blooms. It is now about nine inches in height and has no leaves but five more blooms. It can be seen at her home if anyone is interested. It is beautiful.

Belated happy birthday to Mrs. Alton who's birthday was March 12. I hope you had a happy birthday.

That's all for this week. Drive carefully and keep well. I hope to see you all next week.

Dog to receive an award for bravery after helping in rescue of local man

Carnarvon News

by Ann McKay

By ANN MCKAY
The Haliburton County Home Support Service would like to welcome more people at the Drop-in Centre. Some of the activities are: Monday and Wednesday, Coffee Hour from 10 to 11:30 with speakers on various subjects. This week on Monday, March 25 Murray Fearrey will speak on current affairs at council. Wednesday, March 27 Derry Wilford will speak on photography. Bridge is played in the afternoon on Monday from 1:15 to 4:00. Tuesday morning is fitness walking and movies from 1:15 to 4:00. This week the movie 'Annie' will be shown. Wednesday afternoon is euchre and Friday cribbage. Many speakers are

planned in the future and I will keep you up to date each week.

Reports of Jack Redner in Civic Hospital, Peterborough are that he is recovering quite well following his surgery last Wednesday.

I received a card and letter from M.B. Windsor in Tampa. He is very well and has lots of company from time to time. Enclosed were petals from an orange tree in his yard. What a beautiful smell when I opened the envelope. It brought back happy memories of vacationing at his place.

On Thursday of this week at the Sportsmen's Show in Toronto John Adams' dog, Spook will be presented with Purina's bravery award. Spook was the first to hear Bill McKay's call for help when he fell through the ice on Hawk Lake late at night. Although the TV was on in the Adams living room Spook was very excited to get

outside and take John with him. It was after opening the outer door they heard Bill. Spook was the first to reach him and guide others to where Bill was. He was successfully rescued. It is hoped we may have a picture of the presentation for publication. Jan and Greg McKay will be present.

Again it was another week of the yo-yo game of gas prices fluctuating from 45 to 51 cents a litre in a matter of hours and the Saturday paper carries the announcement of \$151 million profit. Surely a little of this could be

passed on to the consumer. Petro-Canada made these huge profits from the ordinary guy who needs his car to get to work. How about a little of it back?

Mrs. Ken Farrell and three daughters of Barrie spent the school break at the home of her parents, Mr. and Mrs. Bill O'Reilly.

On Good Friday April 5 the Zion United Church Choir will present a Cantata at 9:30 a.m. called the Long Journey. This musical program will also be presented at Lochlin United Church on Good Friday evening at 7:30 p.m.

Civic committee meeting

Kinmount Korner

By MILLIE MOSS

We enjoyed most welcome guests at our house, overnight, last week: Bill's sister Mame Campbell, her son Scott and his wife Theresa from Miami, Florida. What stories Scott told us of his police work in the worst part of Miami. It's hard to believe people can be so cruel to one another.

Results of the Galway Wednesday night card party are: ladies' high, Angie Franzen; ladies' low, Joan Alzner; men's high, Doug Drinkle; men's low, Rick Burns; and lone hands, Frank Franzen.

A regular meeting of the Kinmount Civic Action Committee will be held Monday, March 25 at 8 p.m. in the Kinmount Community Hall. There will be an election of officers. Everyone is welcome to attend.

The United Church Ladies will be holding their annual Flea Market with all proceeds going to the Mission and Service Fund. The date is the last Saturday in April and I will have more on this in the next column or two.

Results of St. Patrick's CWL card party for February 26 are: ladies' high, Clara Watson; ladies' low, Violet Schroter; men's high, Dick Holbrook; men's low, Esther Graham; most lone hands, Dick Holbrook. For March 12 the CWL scores were: ladies' high, Bertha Stata; ladies' low, Martha Mansfield; men's high, Sherrie Magee; men's low, Steven Fountain; lone hands, Florence Schlosser. There were eight tables at this game.

Charlene and Steven Fountain have been visiting with Clara and Ambrose Watson.

The next Meals on Wheels meeting will be held at the home of president Ken Hyams on May 22.

A belated happy birthday to Steven Fountain, 17 on Sunday, March 10.

In conjunction with the Somerville Fire Departments there will be life saving classes held at the Somerville Centre at Burnt River on Sunday, April 14 and Sunday, April 21 from 9 a.m. until 3:30 or 4 p.m. There will be a charge of \$24 per person. For further information call Reg McCluney at 488-2065.

A meeting of the executive of Kinmount/District Meals on Wheels was held Wednesday, March 13 with Joan and Ken Hyams, Win Wilson, Clara Watson, Jack Hills, Jean and Bob Hollobon, John and Betty Lonsdale and Millie Moss attending. It was a very interesting meeting and plans were made, all good, for the future.

Ken Young reported seeing at least three lively robins on his rounds last week.

Re the Kinmount Legion who serve sandwiches and goings on: February 23 - hot plates.

I hope all you sick people are well soon.

Happy Anniversary to all my sisters and their husbands. Helen and Alex Graham of Norland on March 17, to my good man who's put up with me for 44 years on March 19, to Amy and Larry Coker of Utterson on March 24 and to baby sister Audrey and her Wilf Belanger of Rexdale on March 26. One other sister, Marie and husband Bill Card of Jackson's Point celebrated their anniversary on February 26.

Stay well and happy, read the Echo, call me at 488-2353 and remember: being married save a man a lot of time making up his mind about things.

Drop in Centre

from page 9

Natural. Robert Redford stars in this 1984 movie about a baseball player.

We need volunteers to help transport Extendercare residents to the coffee hours.

If you would like to help with this please call 457-2941 (Haliburton County Home Support Services).

We are open Monday to Friday 9:00 a.m. to 4:00 p.m. Drop in and visit us.

ATTENTION - Anyone interested in forming a Racing Pigeon Club, please contact John Burgess, 457-2251 or 754-2665. A good, clean sport. 25-CA-10

NATIONAL ACCREDITATION GRANTED FIVE CHILDREN'S CENTRE'S is pleased to announce that Dr. F. Limmongelli, Executive Director of the Canadian Council on Hospital Accreditation conducted the initial accreditation survey for this Children's Centre, and awarded it a full three year accreditation status. According to the national guidelines this means that standards are met or surpassed for all essential functions - any weaknesses are of a minor nature. The Centre is operating in a consistent, progressive manner. The Centre expresses its thanks to the Board of Directors, Committees, Doctors and staff who contributed toward the success of its first accreditation survey. 25-B-20

Bruce's Barber Shop will be closed from March 25 to 30. 25-P-20

UNATTACHED. Meet attractive, compatible persons who share your same interests (all ages). Prestige Acquaintances. Call toll free 1-800-263-9183. Hours 12 noon to 8 p.m. 26-NC-20

THANK YOU

Angus Coulter wishes to thank everyone who helped make his 87th birthday a very special one. 27-P-20

THANK YOU

Jim and Linda Hamilton would like to express our sincere thanks to our family, friends and neighbours for making our 25th wedding anniversary a most memorable occasion. The cards, gifts and personal best wishes were greatly appreciated. Also, a special thanks to our family and friends who made and served a delicious lunch. 27-P-20

A sincere thank you to all my friends and acquaintances, for the lovely cards and phone calls, and the many prayers offered for me when I was in hospital. A special thanks to Dr. F. Meade, Dr. Titcombe, Dr. K. Hartwick and the nurses and staff of 2B at St. Joseph's Hospital. Jack Bassett 27-P-20

The family of the late Laverne Cruikshanks would sincerely like to thank everyone who sent flowers and cards and donated food, and the ladies who came to the house and served lunch. Also those who donated to the Cancer Society or CAT Scan.

To Padre Frank Walker and Bob Doan from C.F.B. Trenton for their kind messages; the Royal Canadian Legion and Gord Monk Funeral Home for their nice service; and piper Earl Cooper. To relatives, friends and neighbours for visits and caring in our loss. It was all deeply appreciated. Eileen and daughters and the Cruikshanks family 27-P-20

BIRTHS

DOBSON - Bill and Maxine (Nicholls) proudly announce the birth of their first child, a daughter, "Karen Elizabeth" (5 lbs 9 ozs.) March 9, 1985. DEATH NOTICE

AT REST At the Peterborough Civic Hospital on Saturday, March 16, 1985 **AL HODGINS** (Retired from Bell Canada) In his 85th year. Beloved husband of Irene; dear father of Pamela Turton of Oakville and Lynne Dunbar of Toronto; fondly remembered by his grandchildren; and loving brother of Margaret Dodd, James Hodgins and Ethel Clements. Rested at the Gordon A. Monk Funeral Home, Minden, from 2:00 p.m. Monday until 11:00 a.m. Tuesday, March 19, thence to Zion United Church in Carnarvon for funeral service at 2:00 p.m. Spring interment at Twelve Mile Lake Cemetery. 31-CA-20

AT REST **MACINNES, BARBARA** Suddenly on Sunday, March 10, 1985 at her home.

Barbara Cammidge, beloved wife of the late Angus Charles MacInnes, loving mother of Angus (Gus) George MacInnes, dear grandmother of Wade, Jennifer (Mrs. R. Bailey), Darren, Jeanette (Mrs. J. Bekkema), Michael and Duane. Great grandmother of Josh Bekkema. Sister of Mrs. Catharine Hepton, Grace (Mrs. Wm. Henderson), Fergus, Ont., George, Durham, Ont. and the late Alice Miller. Rested at the Turner and Porter Yorke Chapel, 2357 Bloor St. W. at Windermere, from 2-4 p.m. and 7-9 p.m. Tuesday. Funeral service at one o'clock Wednesday afternoon. Interment Riverside Cemetery. 31-P-20

AT REST At the Sunnybrook Medical Centre in Toronto on Wednesday, March 13, 1985 **NORMAN RICHARD JOHNSTON** In his 57th year.

Beloved husband of the late Joan Johnston; dear father of Anita (Mrs. C. Hazen) of Cold Lake, Alberta, Norm of Edmonton, Alberta, Shirley of Richmond Hill and Lennie at home; dear son-in-law of Mary Frost; and fondly remembered by his grandchildren Michael, Katie, Tessa, Candice, Ricky and Janice. Rested at the Gordon A. Monk Funeral Home, Minden, from 2:00 p.m. Friday, for funeral service in the Chapel on Saturday, March 16, at 2:00 p.m. Spring interment at Evergreen Cemetery, Haliburton. 31-CA-20

IN MEMORIAM

CANADIAN RED CROSS SOCIETY HALIBURTON BRANCH Your donation in Memoriam to Red Cross could be used to support our work around the world, across Canada, or in this community. **RED CROSS IS FOR LIFE** 32-CA-27C

SIMS - In loving memory of a dear father, Beverleigh, who passed away March 24, 1981. We cannot bring old times back. When we were all together, But loving thoughts and memories Remain with us forever. Sadly missed by daughter Helen and Ross. 32-P-20

IN MEMORIAM

REIL, Jackie - In memory of a dear son and brother, who left us suddenly on March 20, 1970. Memories are treasures That no one can steal Death is a heartache That nothing can heal So, wherever we go, Whatever we do, We will always think of you. Lovingly remembered by Mom and Dad, brothers and families. 32-P-20

In Loving memory of our dad **William E. Wilson** who passed away March 16, 1981. Today a memory passing by Came in to rest awhile It warmed me with a gentle hand and touched me with a smile It called to me as tho' to say You know we'll never part I'll hold you tight and keep you safe Right here within my heart. Tho' time has done her very best To break the chains that bind A hundred years has not the strength To leave our love behind So hold on tight to what we have And never let it go And when someday we meet again We'll tell the other so. Sadly missed - Sheila and Steve. 32-P-20

In loving memory of a dear grandpa, **Albert J. Perrin**, who passed away March 18, 1984. Dear Grandpa, you are not forgotten. Though on earth you are no more; Still in memory you are with us As you always were before. Lovingly remembered, sadly missed - Tim, Mike and Brenda. 32-P-20

HUNTER, John James - In memory of our father, who passed away March 22, 1981. We have only your memory, dear father, To remember our whole life through. But the sweetness will linger forever As we treasure the image of you. Always remembered by Murray, Larry and Keith. 32-P-20

SIMS - In loving memory of my dear husband, Beverleigh, who passed away March 24, 1981. God took him home, it was His will. But in our hearts we love him still; His memory is as dear today As in the hour he passed away. We often sit and think of him. When we are all alone For memory is the only friend That grief can call its own. Lovingly remembered by wife Toots. 32-P-20

IN MEMORIAM

In loving memory of a dear grandfather, **Albert J. Perrin**, Who passed away March 18, 1984. Dear Grandpa, What I would give if I could say Hello, Grandpa, in the same old way; To hear your voice, see your smile, To sit with you and chat awhile. So you who have a grandfather Cherish him with care, For you'll never know the heartache Till you see his vacant chair. Lovingly remembered by Cheryl, Murray and family. 32-P-20

In loving memory of a dear dad, **Albert J. Perrin**, who passed away March 18, 1984. In tears we saw you sinking, We watched you fade away, Our hearts were almost broken, You fought so hard to stay, But when we saw you sleeping, So peacefully free from pain, We could not wish you back To suffer that again. Lovingly remembered and sadly missed by Jim and Evelyn, Pat and Bruce. 32-P-20

SIMS, Beverleigh - In loving memory of a dear father and grandfather who passed away March 24, 1981. Things we feel most deeply Are the hardest things to say, Dearest Dad, we loved you In a very special way, If we could have one lifetime wish, One dream that could come true, We would pray to God with all our hearts For yesterday, and you. Always in our thoughts, Shirley, Sandy and Terry. 32-P-20

Loons return to Dorset

Dorset News

by Phyllis Briscoe

"The future lies before you like a drift of fallen snow, be careful how you tread it for the footprints always show."

What a beautiful thing to hear on a bright, spring morning, the cry of the loon. A pair of the lovely creatures have arrived in our locality and have been seen floating along on the open water of the channel through the village. And not to be outdone there have been a couple of ducks observed at the entrance to the river at the head of the bay. These are all signs of spring and after all why not, when the first day of spring is practically here.

Everyone is reporting that they have had great numbers of birds at their feeders this year. Last year there were not the great flocks of visitors. We don't know why unless the great quantities of snow brought them in. One wonders how our feathered friends survived many years ago when sunflower seeds and other goodies that are put out were unheard of. I'm sure there was a time when many people with large families had enough to do to keep the family fed, but maybe threw out some bread crumbs and nothing more for the birds. They must have survived but are surely spoiled now.

The school break is over and everyone is back with

their noses to the grindstone. Many families went south for the holiday but we also had families with summer homes in the area who spent the week enjoying our northern weather. Nelson and Susan Doucet and their family from Toronto spent the week at their Dorset home. The Doucets bought what was called the Dollar house in the village, having been the home of Gordon and Helen Dollar for many years, and enjoy spending as much time as possible there.

Donald and Susan Wallace and their children of Oakville spent the week at their summer home on Kawagama Lake. Don is with the CBC.

Bill and Lorna Rawlins of Port Colborne were visitors at Len and Eileen Barry's home on the weekend.

We welcome home Baz and Lorraine Weatherill who enjoyed several months in the sunny clime of Florida.

The sympathy of the community is extended to Stan, Ellen and Lynda Booker, and the rest of his family at the death of Ellen's brother, Bruce Sword, on Monday, March 11 at the Bracebridge Hospital after a lengthy illness. Funeral services were held Wednesday afternoon at the Reynolds Funeral Home, Bracebridge. Mr. Sword and his family had resided in Beatrice.

Best wishes for a speedy recovery are sent to Maida Stewart who was a patient in Bracebridge Hospital, then was in Toronto General for a week to undergo a surgical procedure, and then back to Bracebridge Hospital to convalesce. We are looking forward to her being back in her own home in the near future.

Dave McKey has returned home after attending the Prospectors' Convention at

the Royal York in Toronto. Dave had a booth where he exhibited his rock lampshades, and found it an interesting experience, meeting many people.

H.H. The wrappers that are on cheese slices make excellent separators for sliced meat or hamburger patties that you want to put in the freezer. They don't stick and make the meat easy to separate.

Did you know

by Bambi Gilder

Youth programs

By BAMBI GILDER

Did you know...that the year 1985 has been designated as International Youth Year?

Three guiding themes reflect the wide-ranging interests of young people around the world including participation, involving young people making decisions affecting their lives, development, a process linking individual growth, and peace, the building of mutual respect and understanding among people.

These three themes form the basis for funding projects provided through the Minister of State (Youth) and offers assistance to non-profit, voluntary organizations and groups for projects de-

signed to meet certain objectives. To find out if your organization qualifies, why not drop in to your County Information Centre today and pick up a brochure explaining the International Youth Year programs, and see about ways in which you or your group can participate.

We offer a wide selection of pamphlets containing information on education, employment, drugs and alcohol, health, housing, and government services. We are here to help people of all ages and we are a free and confidential service.

Our office is open from 10:00 a.m. to 4:00 p.m. weekdays and located in the Drag River Municipal Building in Haliburton.

Sherborne et al sets levy for taxes

Report

from page 2

Council set the pre-levy at 285.340 mills for the collection of interim taxes due on the 31st of March, 1985.

The clerk reported to council that an amount of \$5,413.99 had been collected for the sale of road allowance along certain lakeshore pro-

Cardiff split on issues

Report

from page 2

The treasurer was authorized to transfer funds in the amount of \$47,020 from the road capital reserve fund to partially pay for equipment being purchased by council at a total price of \$98,511.09, the remainder of funds to be financed by temporary borrowing under By-law no. 13-85. A recorded vote was taken: Yeas: Mack Peters, Paul Slighte, John Irwin. Nays: Ross Duncan, Debbie Donaldson. The resolution was carried by one vote.

Disbursement voucher #85-2, in the amount of \$28,973.15, was authorized for payment.

The reeve and clerk were authorized to renew the agreement with the Canadian Red Cross Society for the provision of Homemakers' Service in the municipality.

The reeve and clerk were authorized to renew the fire protection agreement with the Township of Monmouth. The Township of Cardiff

will support the North Hastings Veterinary Services Committee in the amount of \$100.

Earl Covert will attend 1985 T.J. Mahony Road School May 5-8, at University of Guelph and reasonable out-of-pocket expenses including registration fee \$280, will be paid by the township.

A by-law to authorize the treasurer to strike uncollectable taxes from the Collector's Roll was passed.

A by-law to appoint statutory officers, board and committee members and other municipal officials for the Township of Cardiff for the year of 1985 and to establish rates of remuneration to be paid to board and committee members was passed.

The next regular meeting of the council of the Corporation of the Township of Cardiff is scheduled to be held in the council chambers on Friday, April 12, 1985 beginning at 7:30 p.m.

perties as requested by adjacent property owners. This amount is set aside in a special account for the use of park and recreational purposes.

Next Deputy-Reeve Don Shortreed discussed the issue of a pending strike of Secondary level teachers in the District of Muskoka.

Council petitioned the County of Haliburton Board of Education to allow students who live within the townships who wish to con-

tinue their education to be able to do so within the County of Haliburton system, should the District of Muskoka go out on strike.

Members of council then went into a committee-of-the-whole to discuss the formulation of a municipal policy for future use.

Council adjourned at the hour of 11:05 p.m. scheduling the next regular meeting of council for Monday, February 11, 1985 to commence at the hour of 1:00 p.m.
